Periodic field observations have been made by a qualified representative of our firm for work described under the above permit as required by the building official of the jurisdiction. All required reports have been filed and revisions to the permit documents approved by the building department. Corrections to the work have been made to effect compliance of the project with applicable codes. I hereby certify that to the best of my knowledge, information, and believe the completed work complies with the requirements of the Washington State Building Code, the approved permit documents and approved revisions thereto approved by the jurisdiction.
