

The intake checklist identifies minimum application elements necessary for the town to accept the application. Should any of the following minimum items not be provided, the application may not be accepted at the counter.

Street opening permits are required for any excavation of public right-of-way, or for stormwater discharging, collection, or channeling per HPMC 12.05.

Applicant: Check each box under the applicant heading on this checklist to confirm items that are included in your submittal.

The required number of plan sets is 3 (three). If applying for multiple permits concurrently, submit the highest number of required plan sets.

General Requirements 1 original copy of each item is required):
If an item is not applicable, attach explanation.
